30 minutes.....	\$60.00

Assessment

Our professional rates for assessment are based on the number of hours required in person to complete assessment tasks, the additional time required for analysis and writing the report, and the assessment tools required. Our rates are inclusive (not hourly), so if the assessment takes a little longer than expected, the cost does not increase. We will also provide a written report either after the assessment is completed or after an initial block of treatment.

Policy for Cancellations and No Shows

Shoreline's clinicians will provide as much notice as possible when a session must be cancelled due to illness or hazardous weather. This notice will be provided by email. Please check your email before you leave for your appointment.

Clients are asked to provide a minimum of 24 hours notice to cancel or reschedule an appointment. It is understood that there will be circumstances outside of the client's control which may result in less notice being provided (e.g., hazardous weather, illness, work). Other than such exceptions, if less than 24 hours' notice is given or if a client does not arrive for a scheduled appointment, the client will compensate Shoreline at a rate of \$60/hr.
